KU KLUX KLAN - GERMAN
AMERICAN BUND
INTERNAL SECURITY - X

Re Philadelphia letter dated September 12, 1957, in which Charlotte was requested to review files of the Counter Intelligence Corps concerning Roy E. Frankhouser, Jr., for results of any psychiatric examination afforded Frankhouser. Philadelphia also requested that Frankhouser be interviewed if it is considered feasible for information in his possession relative to the alleged Ku Klux Klan - German American Bund organization which he discussed with the Army.

Charlotte should review files of the Counter Intelligence Corps for information concerning psychiatric examination afforded Frankhouser; however, he should not be interviewed. Information obtained should be furnished the Bureau and Philadelphia.

Philadelphia is instructed to advise the Bureau whether there is any information available to that office independent of that furnished by Frankhouser concerning a Ku Klux Klan - German American Bund organization active in Pennsylvania. In the event there is no such information, no further investigation should be conducted by Philadelphia.

2 - Philadelphia (105-3343)

NOTE: Frankhouser, age 18, is a private in the U.S. Army stationed in North Carolina. He is from Pennsylvania. Frankhouser has been reading books on the KKK and German American Bund and has been making statements concerning white supremacy. On 7-3-57 Frankhouser deserted from the U.S. Army and was on his way to join a revolutionary group in Cuba when taken into custody by military authorities in Florida. He was returned to North Carolina and referred to the Army hospital at Ft. Bragg for psychiatric treatment. In view of Frankhouser's age and the fact that he has probably read considerably concerning right-wing organizations such as the KKK and German American Bund and due to his mental state, no further investigation is considered warranted.

ROY E. FRANKHOUSER

On 3/8/56, Mr. [redacted] Northwest Junior High School, Reading, Pa., advised SA [redacted] that FRANKHOUSER was a 9th grade student at the school. [redacted] exhibited a Nazi swastika marked "National Socialistic D A P," which he explained had been taken to school by FRANKHOUSER. According to [redacted], FRANKHOUSER bragged about having Nazi and Russian flags at his home and allegedly told other students about the many books he had read on Communism. FRANKHOUSER had never been a problem at the school and had experienced only minor trouble, usually through creating some minor disturbance, by loud talk or minor pranks.

b6
b7C

According to [redacted], FRANKHOUSER resides with his mother at 150 Douglas Street, Reading, Pa. His parents are divorced. FRANKHOUSER had an IQ of 103, but was inattentive and a poor student at school.

b6
b7C

[redacted] subsequently telephonically advised SA [redacted] that through talking with FELDHAUSER he had learned that the youth collected all sorts of souvenirs, such as flags and medals.

b6
b7C

On 9/14/56, Mr. [redacted], Berks County Juvenile Probation Office, advised that FRANKHOUSER was under "informal juvenile supervision" of the Probation Office because his parents were divorced and his mother, with whom he had been living, was [redacted]. According to [redacted], plans are being considered for sending FRANKHOUSER to live with an uncle at Fort Wayne, Ind.

b6
b7C

[redacted] stated he had learned FRANKHOUSER was possibly a "psycho case" as he maintained a large collection of Nazi flags, swastikas, decorations and arm bands, and had a large framed picture of ADOLPH HITLER in his room. He reportedly traveled in some of the outlying sections of the county with other youths in a jeep bearing a large Nazi flag.

PAUL WINTERS

One PAUL M. WINTER is the subject of Philadelphia file entitled "PAUL WINTER - REGISTRATION ACT," Philadelphia file 65-668. It is believed this individual may be identical with the PAUL WINTERS mentioned by FRANKHOUSER.

In 1940, the Pennsylvania State Police (protect identity), a state agency which conducts security and intelligence investigations, furnished the Philadelphia Office with a report dated 11/5/36 concerning PAUL M. WINTER, 137 North Main Street, Shavertown, Pa. This report reflects the following:

WINTER's father was a teacher in the Wilkes Barre, Pa., public schools. WINTER was a newspaper reporter for the Wilkes Barre Record 1924 - 1925, at which time he became active in the local Ku Klux Klan. In 1927, he became Recorder of Deeds for Luzerne County and held that position for three years. He was subsequently unsuccessful in attempting to secure the position of Luzerne County Detective and in 1930 became known locally in Wilkes Barre as an Organizer for the Ku Klux Klan. In the latter part of 1930, he moved to Philadelphia where he became extremely active in KKK work, becoming a Grand Kleagle of the KKK in the Philadelphia District. He left Philadelphia after two years and returned to Wilkes Barre, where he obtained a job with the State Highway Department and subsequently worked as a Landscape Architect under a WPA Highway Management project. He was a member of the Dallas, Pa., post of the American Legion and was known to spend a great deal of time in following and investigating Communist Party affairs in Luzerne County. He was considered to be a fanatic on the subject of the Communist Party. He was known to hate the principles of Communism and anyone connected with the Party. Other State Police information reflected that WINTER became a District Organizer of the "Committee of 1,000,000," an anti-Semitic and anti-Communist organization.

PH 105-3343

When interviewed in 1943 by SA [redacted] and [redacted], he advised that from 1924 to 1928 he was Grand Kleagle of the Ku Klux Klan in the Philadelphia area. He said he had never joined the organization but merely assisted in its organizing at a time when its objective was the combatting of vice. He also admitted that he had requested and received propaganda material from Germany and other countries, claiming that his reason for so doing was his interest in international affairs. He admitted being pro-HITLER prior to the entry of the United States into World War II because Hitler had helped the German people out of a deplorable condition.

b6
b7C

The Philadelphia Office files also contained two impersonation files on WINTER reflecting investigations conducted in 1939 and 1949 relative to alleged impersonation violations by WINTER. Both cases, however, were closed without establishing any violation.

No other information identifiable with any of the persons mentioned by FRANKHOUSER was located in the Philadelphia indices.

AMERICAN NAZI PARTY, also known as World Union of Free Enterprise National Socialists

A source advised on February 27, 1959, that George Lincoln Rockwell, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards and talks by Rockwell attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP."

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by Jerome Bakst entitled "Angry Young Men of Hate." Regarding Edward R. Fields, the article stated, "Fields, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other

"hate groups. He apparently started Jew-baiting in his teens, aided Stoner in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

A source advised in May 1961 that Dr. EDWARD R. FIELDS participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

As the Bureau is aware, FRANKHOUSER has been under investigation by this office for a considerable time, first as an individual bombing suspect and later as a national officer of the National States Rights Party.

Subject is, to all indications, somewhat unbalanced mentally. On 3/22/62, FRANKHOUSER voluntarily contacted this office and advised he had left the NSRP and was forming a "new group, of which I will be assistant chapter leader." He related that the group had, at that time, no name, but later mentioned the Federation of American Nationalists. FRANKHOUSER has also repeatedly used the word Federation (rather than Fighting) in mentioning the name of the group, according to [redacted] (RAC).

b7D

However, all indications are that this is merely a subterfuge on the part of FRANKHOUSER, and that he is connected with the American Nazi Party rather than either the Fighting American Nationalists or an alleged Federation of American Nationalists. He is a very close associate of [redacted] who is violently pro-Nazi and has on numerous occasions distributed GEORGE LINCOLN ROCKWELL's ANP literature. He has also, by his own statement to Agents, as well as informants, visited ROCKWELL on several occasions.

Police Officer Says Speaker Posed Peril

By Sheldon Smith

A police inspector testified today he arrested a white man near Riverside Park last year because his anti-Negro, anti-Jewish speech threatened to "incite trouble" among a crowd of 150 to 200 white people who were becoming aroused.

Inspector Leo T. Kelly arrested Roy E. Frankhouser, Jr., 24, of Reading, Pa., as he mouthed white supremacist phrases from the steps of a school near the park.

Moments earlier, Frankhouser had left the park itself after police officers broke up his anti-integrationist speech.

Inspector Kelly told Judge Charles D. Harris in Criminal Court that he "could sense the fact he (Frankhouser) was inciting trouble" and directed him to stop speaking.

"I said, you are inciting trouble."

With that, the police inspector said, Frankhouser threw his hands in the air and told the crowd that such treatment was one of the conditions of which he was speaking.

"If this be the case and cause," Inspector Kelly said, Frankhouser told him, "then arrest me and take me."

"I Accommodated Him"
"So I accommodated him," the police inspector added.

After taking Frankhouser into custody, Inspector Kelly said he identified himself as a representative of the Citizens' Council, Greenville, S.C.

At a hearing later in Municipal Court, Frankhouser described himself, according to news accounts, as a public relations officer for the Fighting American Nationalist Party, a right-wing anti-integrationist group.

Carl Bassett, defense counsel, read an excerpt from a newspaper account of Frankhouser's arrest which quoted Inspector Kelly as saying, just before making the arrest:

"I've had enough of that kind of talk."

Asked by Mr. Bassett whether he had made that statement, the police inspector replied:

"I wouldn't want to say I used those exact words. I don't recall that."

RE: ROY E. FRANKHOUSER, JR.
105-70374

NOTE:

Baltimore, reluctant to reveal identity of source, recommended that [] return the weapon upon request and that the method of transportation and destination of Frankhouser be furnished appropriate office. PH advised that an apprehension of Frankhouser at his place of residence, Reading, Pennsylvania, is impossible because of his methods of travel and the fact that he could secrete the weapon prior to arrival. Since ATTD has evidently initiated action, the status of ~~CHS~~ case must be determined. While Baltimore indicated the informant will have ample time to handle the gun upon request of Frankhouser, that office should be reminded not to put such a weapon back into the hands of a hate-group individual.

On October 15, 1964, Confidential Informant PH T-1 advised he had not heard the name [REDACTED] in connection with the American Nazi Party (ANP) in the Arlington, Va., area.

b6
b7C

On November 16, 1964, PH T-1 stated he overheard a conversation by MATT KOEHL, National Secretary of the ANP, concerning [REDACTED]. KOEHL allegedly stated he did not know [REDACTED] personally but had registered him in the ANP in the early part of 1964. [REDACTED] reportedly paid his dues of \$5.00 per month to date and was considered to be in good standing.

b6
b7C

KOEHL further mentioned that subject had not been in Arlington, Va., to his knowledge and has never received any training in the ANP.

A characterization of the American Nazi Party (ANP) is included as an Appendix to this memorandum.

b6
b7C

On November 25, 1964, ROY E. FRANKHOUSER, Jr., Reading, Pa., a self-confessed adherent of the ANP who voluntarily contacts the FBI Office in Reading, Pa., advised Special Agent [REDACTED] as follows:

FRANKHOUSER does not know [REDACTED] and has never heard his name mentioned in connection with any ANP membership or activity. FRANKHOUSER stated that for this reason [REDACTED] cannot be a person of any significance. According to FRANKHOUSER, there is no other ANP group in Allentown, Pa.

b6
b7C

FRANKHOUSER explained there are five types of persons who contact the ANP. One is the "curiosity seeker," who reads about GEORGE LINCOLN ROCKWELL, commander of the ANP, and contacts him by mail or in person once just to satisfy his curiosity. The second group consists of "sympathizers" who agree with the ANP views but do nothing more in any way. A third group are the

sympathizers who contribute funds. These individuals, however, will not participate in any meetings or activities and do not actually become members. A fourth group are the ANP members who contribute financial support and will attend some meetings and discussions but stop short of anything that would result in publicity. The fifth, or last, group are ROCKWELL's sincere and loyal followers to whom his word is law. They are active members, contribute time and money if they have it, and will if necessary engage in picketing, demonstrations, and mass activities which frequently result in fights and arrests.

FRANKHOUSER said he used to belong to the last group but in recent months he has shunned publicity and is still trying to secure regular employment.

FRANKHOUSER said the ANP Headquarters consult him whenever they are contacted by anyone from his area indicating an interest in the ANP. FRANKHOUSER stated occasionally he is able to advise if the person asked about is or is not a likely ANP candidate. He said he sometimes personally contacts the candidate to determine his qualifications for ANP membership.

On November 20, 1964, Officer [redacted], Juvenile Bureau, Allentown, Pa., Police Department, advised his office received a call from a Mr. [redacted]

ReWFOairtel to the Bureau, copy to Philadelphia, 3/31/66 wherein Frankhouser is alleged to have stated that he was in charge of the Minutemen in Pennsylvania and that he had a large quantity of guns and ammunition stored in a mine outside Reading, Pennsylvania.

Philadelphia is requested to advise if it is in possession of any information which would substantiate or discredit the above-mentioned statement attributed to Frankhouser. Any positive information should be promptly furnished the Bureau in form suitable for dissemination.

NOTE:

Frankhouser allegedly on 3/27/66 advised John W. Leon, a private detective, Washington, D. C., who had been hired by the "New York Times" to interview Frankhouser, that he was in charge of the Minutemen in Pennsylvania and had a large quantity of guns and ammunition stored in a mine near Reading, Pennsylvania. In view of the fact that Frankhouser reportedly was to sail for Europe on 3/25/66 but according to Leon was interviewed by him on 3/27/66, Philadelphia has been instructed New York to check the passenger list on the Queen Mary concerning passage Frankhouser had booked on that vessel for 3/25/66. Instant airtel instructs Philadelphia to advise if statement made by Frankhouser to Leon is true.

On 3/31/66, JOHN W. LEON, a Private Detective in Washington, D.C., telephonically advised SA [redacted] that he had been hired by the "New York Times" to interview FRANKHOUSER inasmuch as they plan to print a series of articles regarding DANIEL BURROS, a former American Nazi Party member and KKK member who committed suicide on 10/31/65, at FRANKHOUSER's home in Reading, Pa.

LEON advised that he conducted a 7-hr. taped interview with FRANKHOUSER on 3/27/65, and furnished the tapes to the "New York Times" for their article. He stated that the purpose of the interview was to determine the personality, habits and traits of BURROS.

LEON stated that during the interview FRANKHOUSER informed him that he was in charge of the Minutemen in Pennsylvania and that he had a large quantity of guns and ammunition stored in a mine outside Reading, Pa., which could be put into use at a short notice. LEON stated he included this information in his tapes to the "New York Times" but did not know if they intended to use this material as he stated he considered FRANKHOUSER a "braggart" and did not know if this information concerning the arms and ammunition was correct. He stated that FRANKHOUSER just made the

For the information of the Bureau and other offices, JOHN W. LEON and former FBI SAS [REDACTED] and OLIVER ANGELONE on 4/21/64, were found guilty in U.S. District Court, Washington, D.C., on Federal Communication Act charge whereby they allegedly "bugged" a room in the Mayflower Hotel in Washington, D.C., in order to obtain information concerning "industrial espionage". LEON is presently appealing his case to the Supreme Court.

listed to R. EVERETT FRANKHOUSER. Since his father's hospitalization when Subject began living at 133 South 4th Street full time, he has used this telephone extensively. Service was temporarily disconnected by the telephone company in 11/65, at which time an unpaid bill of over \$280 incurred in a two-month period was outstanding. This information is not being set out in the details of this report because of its length and lack of value. Many of the calls made by Subject are to known ANP, Klan, or Minutemen officials and members; many others are to reputable and responsible citizens, such as Governors, Mayors of cities, and other Government officials, during which calls Subject probably expressed his feelings on some matter involving the person called. This telephone is still connected and in use.

b7C

The "Reading Eagle," a Reading, Pa., daily paper, reported in its edition of January 17, 1966, that ROY E. FRANKHOUSER, SR., who had died January 9, 1966, left his estate, consisting of \$4,500 in real estate and \$1,000 in personal property, to his son, who was named Executor.

II. EMPLOYMENT

PH T-1 said that FRANKHOUSER is not and has not been employed since he was fired from his job at the Berkshire Hotel, Reading, Pa., in about March 1965.

Miss REGINA KUPISZEWSKI, [redacted], Reading, Pa., [redacted] advised on December 9, 1965, that she had been living with ROY E. FRANKHOUSER, JR., at 133 South 4th Street, Reading, Pa., for several weeks, and that ROY devoted all his time to "political activities." Miss KUPISZEWSKI advised that Subject's mother, Mrs. [redacted], had on at least one occasion sold some bonds she owned and gave the proceeds or at least a part thereof to the Subject. [redacted] West Wyomissing, Pa.

b6
b7C

PH T-1 related on March 18, 1966, that ROY FRANKHOUSER is not gainfully employed.

PH 105-4158

III. CURRENT POSITION IN ORGANIZATIONS

A. American Nazi Party

PH T-1 advised on December 17, 1965, that ROY FRANKHOUSER had severed his connections with the American Nazi Party (ANP), so as to devote full time towards the work and development of the UKA, KKKK.

PH T-1 advised on November 6, 1965, that FRANKHOUSER, according to HANS SCHWEIKERT, asked SCHWEIKERT to loan him a large Nazi flag. FRANKHOUSER wanted to use this at a Klan rally, but SCHWEIKERT refused to permit it.

[redacted], Pittsburgh, Pa., advised Agents of the Federal Bureau of Investigation that he met ROY FRANKHOUSER in 1963, when FRANKHOUSER was associated with the ANP. b6 b7C

PH T-1 advised on February 2, 1966, that FRANKHOUSER was out distributing ANP stickers the previous night.

[redacted], Wilkes-Barre, Pa., advised that on January 22, 1966, he had planned to visit ANP Headquarters in Arlington, Va., but because of a heavy snowstorm, stopped at Reading, Pa., where he visited ROY FRANKHOUSER, JR., 133 South 4th Street, and they had an ANP meeting. [redacted] said nothing in particular was discussed. b6 b7C

PH T-1 related on February 7, 1966, that RICHARD SINGLETON claimed ROY FRANKHOUSER and he had taken a "Secret Anti-Defamation League List" to Virginia, where they turned it over to ROCKWELL, of the ANP.

B. Free Corps

PH T-1 advised on December 17, 1965, that the Free Corps is defunct. This source related that the Free Corps was solely a product of FRANKHOUSER's and when he lost interest in it upon becoming reaffiliated with the UKA, KKKK, the Free Corps ceased to exist for lack of interest or support.

PH 105-4158

C. Minutemen

On July 16, 1965, the Kansas City, Mo., Police obtained a list of Minutemen members. There were two cards for Subject described as follows:

1. ROY E. FRANKHOUSER (35168) - [redacted],
Reading, Pa.
2. ROY E. FRANKHOUSER, JR. (35168) Pennsylvania (24)
Salesman - sky diving.

b6
b7C

PO PH T-1 on August 6, 1965, advised [redacted] wants to act against ROY FRANKHOUSER, for unless FRANKHOUSER is expelled by the Minutemen, others will quit in disgust. [redacted] is upset because he sold FRANKHOUSER weapons and has not been paid for them.

b6
b7C

PO PH T-1 advised on October 28, 1965, that *Alv* RICHARD SINGLETON presented to the group of Minutemen a draft of a letter to ROBERT DE PUGH, National Director of the Minutemen, requesting FRANKHOUSER's removal as Coordinator. This source on November 20, 1965, advised that SINGLETON's letter, as finally drafted, charged that ROY FRANKHOUSER was "not engaged in any activity of benefit to the organization, and, on the contrary, his Klan activities are a detriment, as well as making him a security risk." It was suggested by one member that FRANKHOUSER might "take reprisals" if he is expelled, but it was then decided that if he did he would be a "dead duck."

PH T-1 advised on January 1, 1966, that RICHARD SINGLETON received a letter from ROBERT DE PUGH stating in substance that DE PUGH concurred with their thinking, and that "forthwith" FRANKHOUSER is being removed as Area Coordinator.

PH T-1 advised on January 11, 1966, that FRANKHOUSER has not been advised of the decision of DE PUGH to remove him. Although not stated, source said SINGLETON implied that this was because he had suddenly inherited some money from the death of his father.

PH 105-4158

PH T-1 on January 19, 1966, advised RICHARD SINGLETON told several of the group that ROY got some money from his father's estate and wants to help a lot.

PH T-2 on January 27, 1966, advised that ROY FRANKHOUSER made the statement in accepting source into the UKA, KKKK, that "We are tied in with the Minutemen, too."

PH T-3 advised on March 15, 1966, that ROY FRANKHOUSER claimed he was the had of the Minutemen in Pennsylvania. He said that the Minutemen were the "strongarm men" for the UKA, KKKK.

D. United Klans of America, Inc. -
Knights of the Ku Klux Klan

PH T-4 advised on August 16, 1965, that on the night of August 15, 1965, three individuals were to become Grand Dragons of the UKA, KKKK, in their respective states, appointments to be made by Imperial Wizard ROBERT M. SHELTON. This source reported that one of these individuals was ROY FRANKHOUSER, a white male, about 27 years old, blind in his left eye.

PH T-5 advised on August 22, 1965, that a state meeting of the UKA, KKKK, was held August 21, and 22, 1965, at Salisbury, N.C. Eleven Grand Dragons were present from various states, one being ROY E. FRANKHOUSER, Grand Dragon of Pennsylvania.

PH T-1 advised on December 21, 1965, and on numerous other previous occasions since about September 1965, that ROY E. FRANKHOUSER, JR., proclaims himself the Grand Dragon of the UKA, KKKK, for the State of Pennsylvania; that he has been in touch with numerous Klan leaders in various locations; has spoken at Klan rallies, and is presently engaged in attempting to resolve a disagreement among Klansmen in New York.

PH T-6 advised on October 18, 1965, that when a group of about 20 Klansmen met to discuss legal representation in the forthcoming HCUA hearings, ROY E. FRANKHOUSER was one of those present. This meeting took place October 17, 1965, at Falls Church, Va.

PH 105-4158

PH T-7 advised on October 23, 1965, that ROY FRANKHOUSER telephoned ROBERT M. SHELTON while SHELTON was at Washington, D.C., to attend the HCUA hearings then being conducted on Klan groups. SHELTON, after receiving the call, was annoyed and stated he wants to get rid of FRANKHOUSER, but wants to wait until the Klan hearings are over.

PH T-1 advised on November 13, 1965, that RICHARD SINGLETON said that ROY FRANKHOUSER either has been or is being kicked out of the UKA. SINGLETON did not indicate how he knew this.

PH T-7 advised on November 18, 1965, that ROBERT SHELTON said it was a mistake to appoint ROY FRANKHOUSER as Grand Dragon of Pennsylvania, because of his Nazi connections and because he is living with a woman who is not his wife.

[redacted], Pittsburgh, Pa., advised a Special Agent of the Federal Bureau of Investigation on February 4, 1966, that ROY E. FRANKHOUSER claimed to be Grand Dragon of the UKA in Pennsylvania. b6 b7C

PH T-3 advised on March 15, 1966, that ROY FRANKHOUSER claimed he runs the United Klan of America in Pennsylvania.

PH T-2 said on March 19, 1966, that FRANKHOUSER is going away and has turned control of the Pennsylvania Klan over to MICHAEL DESMOND, Newark, Dela.

IV. AUTOMOBILE

Sergeant [redacted], Troop L, Pennsylvania State Police, Reading, Pa., advised on December 9, 1965, that a check of Bureau of Motor Vehicles records at the State Capital reflected that ROY FRANKHOUSER, JR., did not have a driver's license or a motor vehicle titled in his name. Sergeant [redacted] advised that several months ago, Subject had taken out a learner's permit to get a driver's license, but he has not yet taken the test. Sergeant [redacted] advised that Subject's father, ROY E. FRANKHOUSER, SR., has a Vauxhall Station Wagon, VIN FW 239 783 titled to him, and Pennsylvania License 03206 P is issued for this vehicle. b6 b7C

An article in the "Reading Times," a Reading, Pa., daily newspaper, issue of November 8, 1965, reported that ROY FRANKHOUSER spoke at a Klan Rally at Rising Sun, Md., which was a memorial to DANIEL BURROS and MATT MURPHY. b6
b7C

PH T-1 advised on February 20, 1966, that ROY FRANKHOUSER said that date he had just returned from the Reading Airport where he had gone, expecting to meet ROBERT DE PUGH, leader of the Minutemen. The weapon used was a .32 H & R revolver which FRANKHOUSER claimed his father had found in the basement about a year previous.

b6
b7C

PH T-1 advised on January 23, 1966, that RICHARD SINGLETON said FRANKHOUSER had given him \$100 for the development of "special weapons." SINGLETON mentioned a "pocket-sized flame thrower." SINGLETON also claimed that he and FRANKHOUSER had visited Potomac Arms, near Washington, D.C., and purchased some items there.

PH T-1 advised on February 26, 1966, that ROY FRANKHOUSER has at least one .30 calibre M-1 Garand Rifle and at least one .30 calibre Springfield. The latter weapon is an O3-A3 Model, Serial Number 4802451.

PH T-2 advised on March 7, 1966, that ROY FRANKHOUSER claims he has some reloading equipment. FRANKHOUSER also received a telephone call from a man who wanted to sell him some "8mm. stuff" (not otherwise described).

PH 105-4158

PH T-1 advised on March 20, 1966, that at 5:00 a.m. that date, he had been called with word that the trip to the coal regions was called off. The reason given was that the Federal Bureau of Investigation had seized the material that was to be cached.

B. Statements and Activities Indicative
of Mental Condition

PH T-1 on October 4, 1965, advised that Mrs. [REDACTED], ROY FRANKHOUSER's mother, said that she "knew" ROY had gone to New York City the previous evening to create trouble on the occasion of the visit of Pope Paul VI. Mrs. [REDACTED] said Subject had fake Associated Press credentials and planned to stir up trouble between the Castro supporters and anti-Castroite Cubans who would be in the crowd.

b6
b7C

PH T-1 on October 9, 1965, said FRANKHOUSER claimed he had gone to New York to make trouble during the Pope's visit, but had decided against it at the last minute.

PH T-1 on October 31, 1965, reported that RICHARD SINGLETON said ROY FRANKHOUSER is "cracking up mentally; it is just a matter of time." SINGLETON claimed that FRANKHOUSER is "broke," and that REGINA KUPISZEWSKI, with whom he has been living, is [REDACTED].

b6
b7C

PH T-3 advised on March 18, 1966, that on March 16, 1966, several men met with ROY FRANKHOUSER at Subject's home. FRANKHOUSER took them to the basement where he fired a double-barrel fountain-pen tear gas gun into the group to show them the effect of the gas.

PH 105-4158

C. Subject's Assault
and Maiming

Alderman [redacted], Reading, Pa., advised on September 15, 1965, that since its inception, the assault case in which ROY FRANKHOUSER is the victim has been "nothing but trouble." MICKEY BENNET, one of the defendants, has filed countercharges against FRANKHOUSER. FRANKHOUSER has been given a hearing and is out on bail. [redacted] fully expects that this case will never come to trial. b6
b7C
B-

^{Pm}The "Reading Times," on October 21, 1965, reported that JOSEPH FIORINI, LOUIS CASALE, and "MICKEY BENNETT" had waived hearings, and the case against them would go to the Berks County Grand Jury.

Sergeant [redacted], Reading, Pa., Police Department, advised on January 11, 1966, that he had heard and was attempting to run down a rumor to the effect that FRANKHOUSER had been handed a \$10,000 cashier's check to drop the charges against his assailants. b6
b7C

The "Reading Eagle," daily newspaper, on January 14, 1966, reported that the case against FIORINI, BENNETT, and CASALE had been continued to the March Term of court.

PH T-11 advised on February 25, 1966, that he had seen a summary PLCB (Pennsylvania Liquor Control Board) report containing an interview of FRANKHOUSER and in which FRANKHOUSER said he was considering accepting a \$10,000 settlement to drop the charges against his assailants.

Mr. [redacted], PLCB, Allentown, Pa., advised on March 7, 1966, that ROY FRANKHOUSER furnished one of his investigators with a sworn signed statement dated December 3, 1965, regarding the incident in the Court Pub. There is nothing in this statement or the accompanying records indicating that FRANKHOUSER said anything about dropping the charges for an out-of-court settlement. b6
b7C

The "Reading Times," in its issue of March 18, 1966, reported that on the previous day, ROY FRANKHOUSER had taken the

PH 105-4158

stand in Berks County Court in the trial of the three men accused of maiming him and testified only to his name. To all other questions, even that as to what his address is, FRANKHOUSER took the Fifth Amendment. Following a consultation between the Judge and the attorneys, the Commonwealth withdrew all charges. Costs of \$297.76 were divided equally among FRANKHOUSER and the three defendants. FRANKHOUSER paid his share, \$74.44 in cash and departed without picking up the \$10 witness fees due him.

PH T-1 advised on March 18, 1966, that ROY FRANKHOUSER told him that FRANKHOUSER's refusal to testify was pre-arranged; that he had received an out-of-court settlement and "took the Fifth Amendment," so as not to reveal this fact.

D. Miscellaneous Physical Problems of the Subject

Miss [redacted], Medical Records, St. Joseph's Hospital, Reading, Pa., advised on September 22, 1965, that ROY FRANKHOUSER was then confined there as a pre-surgical patient. He was scheduled to undergo surgery on September 23, 1965, for a perianal abscess which is toxic.

b6
b7C

The "Reading Eagle," in its issue of March 9, 1966, carried an article to the effect that ROY E. FRANKHOUSER, JR., 133 South 4th Street, Reading, Pa., had been admitted to Community General Hospital, March 8, 1966, for treatment of a severed tendon. Reportedly, he suffered cuts of the hand and a severed tendon of the right ring finger when a glass door broke as he was repairing it.

Reading Police Officer [redacted] advised on March 10, 1966, that he had investigated FRANKHOUSER's injury and insofar as he could determine the newspaper account was accurate. [redacted] advised that Subject's mother and stepfather were reportedly with him when he was injured.

b6
b7C

PH T-1 advised on March 10, 1966, that ROY FRANKHOUSER did not say anything at all about his recent accident, but that RICHARD SINGLETON claimed ROY had put his hand through a window in a fit of rage after his mother and REGINA KUPISZEWSKI, his girl friend, had a fight.

PH 105-4158

PH T-2 advised on March 13, 1966, that ROY FRANKHOUSER is wearing a cast on his right arm from the elbow to the base of the fingers. FRANKHOUSER declined to say what happened, except that he was hurt in an accident.

E. Problems Involving REGINA
KUPISZEWSKI, Subject's Girl Friend

PH T-1 advised on August 24, 1965, that ROY FRANKHOUSER has been living with REGINA KUPISZEWSKI at 133 South 4th Street, since REGINA was "kicked out" of her own home by her father for associating with FRANKHOUSER. Miss KUPISZEWSKI claims [redacted] and unless he marries her, she threatens to go to the authorities and tell them "all about FRANKHOUSER."

b6
b7C

PH T-1 advised on October 13, 1965, that ROY FRANKHOUSER claims he is "broke" and that REGINA will not let him alone.

PH T-1 advised on December 5, 1965, that RICHARD SINGLETON claimed FRANKHOUSER has another girl friend, and that if REGINA learns of this, she will undoubtedly go to the police or even the Federal Bureau of Investigation.

PH T-1 advised on December 28, 1965, that ROY FRANKHOUSER and his girl friend had a fight. FRANKHOUSER pleaded with her for "more time," and she said that she "wants action now."

PH T-1 on January 24, 1966, advised RICHARD SINGLETON told him FRANKHOUSER and REGINA had a fight and REGINA was cut on the hand by broken glass.

F. Suicide of
DANIEL BURROS

Detective Captain [redacted], Reading, Pa., Police Department on October 31 - November 1, 1965, advised as follows:

b6
b7C

At about 10:30 a.m., October 31, 1965, ROY FRANKHOUSER telephoned for the police and an ambulance, advising that "a man" shot himself in FRANKHOUSER's home. Investigating officers found DANIEL BURROS dead on the floor of the second floor livingroom, a .32 H & R revolver lying by the body containing two fired and three

PH 105-4158

live rounds. BURROS, later determined to be the Grand Dragon of the UKA for New York, had been shot in the right temple and left chest. There were powder burns around both wounds. FRANKHOUSER, REGINA KUPISZEWSKI, and FRANK ROTELLA, the latter determined by police to be the Grand Dragon of the Klan for New Jersey, had all been present at the time BURROS shot himself. They were interrogated at some length and submitted to paraffin tests, which indicated that they had not fired a weapon recently, but BURROS' hand was stained by nitrates.

Their individual stories had no glaring discrepancies and tended to show that BURROS took his own life in a fit of rage after reading an article in the "New York Times" of that date, reporting his Jewish background and ancestry. The weapon used belonged to FRANKHOUSER and had been lying on a bureau when BURROS returned after purchasing the "New York Times."

G. Alleged Attempt to
Shoot ROY FRANKHOUSER

Detective [REDACTED], Reading, Pa., Police Department, advised on October 24, 1965, that on October 23, 1965, ROY FRANKHOUSER reported that someone fired a shot into the room of his home where he and friends were sitting.

b6
b7c

FRANKHOUSER told the police that on the evening of October 21, 1965, he and three "right-wing friends" (these were Subject's words to the police) had been sitting in the second floor livingroom at 133 South 4th Street, Reading, Pa., when they heard a sound "like a silenced weapon," but thought nothing of it at the time. Two days later, FRANKHOUSER discovered that a plastic bowl in which there were turtles had been cracked, and he maintained this had been done by a bullet fired at him or one of his friends. Police investigation disclosed that possibly a shot had been fired into the room from a roof across the street at a distance of about 100 yards. Some loose change was found on the roof of this commercial building which is unoccupied at night, and a ladder was propped at the rear so as to give access to this roof. However, no spent bullet was found.

PH 105-4158

PH T-1 advised on October 27, 1965, that RICHARD SINGLETON said the alleged attempted shooting of FRANKHOUSER was a "phony," a "put-up job" to get publicity.

H. Subject's Trip to
England and Germany

PH T-1 advised on January 17, 1966, that REGINA KUPISZEWSKI claimed that ROY was planning on taking a trip to Europe.

PH T-3 advised on March 21, 1966, that ROY FRANKHOUSER is making plans to leave the United States this week for Germany. Source said FRANKHOUSER plans to be gone about 30 days.

PH T-12 advised on March 22, 1966, that ROY E. FRANKHOUSER was making arrangements to sail from New York on the Queen Mary, March 25, 1966.

PH T-13 advised on March 22, 1966, that ROY FRANKHOUSER on that date had picked up his ticket for passage on the Queen Mary sailing March 25, 1966. This reservation called for arrival at Southampton, England. Return trip was indefinite as to date, but Subject had a ticket (no reservation) from Frankfurt, Germany, to New York via Lufthansa Airlines.

FREE CORPS:

The December, 1964 issue of the "Free American," published in New York City, contained news of numerous U. S. and foreign groups opposed to integration and considerable material commendatory of GEORGE LINCOLN ROCKWELL and his American Nazi Party. This publication, under the heading, "New Fascist Commandos," announced the formation of the "Free Corps" and described it as a "para-military organization ** to assist other right wing groups ** and combat any red takeover with armed force." This same issue listed FRANKHOUSER as "Head of Security and Intelligence."

A source advised on June 20, 1965, that ROY E. FRANKHOUSER, JR., Reading, Pennsylvania, the leader of this Free Corps, claimed this local group numbered about 12 members; they have on a number of occasions held meetings where judo and karate, bayonet practice and training in the firing of rifles, carbines, and handguns has been afforded them. The group has made and thrown "Molotov Cocktails" and exploded charges of dynamite, as well as homemade grenades.

The above source advised that a new member had affiliated with the group in about June, 1965. This man was, according to FRANKHOUSER, "an expert on bombs and explosives" and was designated on about August 5, 1965, to assume command of the group because of the "exposure of FRANKHOUSER" in the local papers. The same source advised on August 5, 1965 that the new leader, RICHARD JAMES SINGLETON, wanted to kick FRANKHOUSER out because he was an adherent of ROCKWELL's American Nazi Party, and concentrate primarily on "Minutemen" affiliation, but this had not been accomplished as yet.

The above source advised December 31, 1965 that the Free Corps as such is defunct. There have been no meetings or activities of any sort, no dues collected, no headquarters or physical assets and no known records. The former members have "split away" from each other and some joined various national racial organizations. ROY E. FRANKHOUSER, JR., is presently Grand Dragon of the United Klans of America, Inc., Knights of the Ku Klux Klan of Pennsylvania.

The files of the Passport Office, as reviewed March 28, 1966, reflects that passport D692147 was issued to Roy Everett Frankhouser, Jr., on September 18, 1963, at Washington, D. C. (WDC). This passport was marked not valid for travel to Albania, Cuba, and those portions of China, Korea, and Viet-Nam under communist control. This passport was good for a period of three years and may be renewed for two additional years.

Subject's passport application was dated September 9, 1963, at Reading, Pennsylvania. His date of birth was listed as November 4, 1939, at Reading, Pennsylvania. He gave his permanent residence as [redacted], Reading, Pennsylvania. His mailing address was listed as C. H. Dill Travel Bureau, 503 Penn Street, Reading, Pennsylvania.

b6
b7C

Concerning his travel plans, he stated he would leave New York City September 15, 1963, by air, for study and business for two to three months in West Germany, United Kingdom, and France.

ReBulet to Philadelphia 5/6/66 and report of SA
[redacted], 4/8/66, at Philadelphia, Pa.

b6
b7C

Concerning the request in reBulet to submit a counterintelligence proposal which will cause ROBERT SHELTON, Imperial Wizard, UKA, to publicly disown FRANKHOUSER, it is suggested that the Bureau consider whether or not such a project would cause as much disruption in the ranks of the UKA and in the Minutemen as FRANKHOUSER's presence does.

FRANKHOUSER has been in Europe and was not, of course, in a position to "aid" either of the above organizations during the period of his absence. MICHAEL DESMOND has been the person in charge of the UKA in Pennsylvania and the "Reading Eagle" of 4/11/66 carried an article in which DESMOND refuted and denied United Press International stories quoting him as saying that ROY FRANKHOUSER, top state Klan official, has been tossed out of the state organization. Since FRANKHOUSER was not in the United States, the articles have not created the fuss that FRANKHOUSER would have undoubtedly stirred up had he been present.

NOT RECORDED

SHELTON has been quoted on several occasions as saying that "FRANKHOUSER must go." He is unquestionably aware of the fact that FRANKHOUSER is mentally unstable; that [redacted], REGINA KUPISZEWSKI, has a key to FRANKHOUSER's post office box; and that she, KUPISZEWSKI, has given MICHAEL DESMOND "only the junk mail, but keeps the checks" as reported by an informant of this office.

b6
b7C

FRANKHOUSER's personal life, in all its seamy details, is public property in the Reading, Pa., area.

When considering the mental processes of an individual and the motivation for his conduct, unusual in that person, one must deal in conjecture. It must follow that since SHELTON has many reasons for desiring to be rid of FRANKHOUSER and has not done so, he must believe that the consequences of keeping him are less to be feared than what might happen if he were to publicly eject him from the Klan.

It should be noted that SINGLETON of the Reading Minutemen did arrange with DE RUGH to expel FRANKHOUSER from the local leadership of the Minutemen and from the Minutemen. This matter was dropped when FRANKHOUSER inherited a sizable sum of money. It was considered by the Minutemen that FRANKHOUSER was dangerous and might retaliate. It was agreed that if FRANKHOUSER made any attempt at retaliation "he was a dead duck"; i.e., they would kill him.

It is not believed that SHELTON's reticence to take action against FRANKHOUSER stems from physical fear of him but rather that FRANKHOUSER might involve SHELTON and the Klan in a reopening of the case of the death of DAN BURROS.

It is stressed that as the Philadelphia Office has advised the Bureau on prior occasions this death was suicide. The police investigation was prompt and paraffin tests of the hands of the three people present (1. DAN BURROS; 2. ROY FRANKHOUSER; and 3. REGINA KUPISZEWSKI) reflected that only BURROS had recently fired a gun.

It would appear equally certain that SHELTON has every reason to believe that FRANKHOUSER killed BURROS. These reasons for this belief are:

1. The reputation of FRANKHOUSER.
2. Alleged threats by the third person present, FRANKHOUSER's girlfriend, that she would tell the police he shot BURROS.
3. Result of the investigation by EUGENE TABBUTT, given to SHELTON, which included, according to TABBUTT, the statements of REGINA KUPISZEWSKI that FRANKHOUSER had killed BURROS and the observation of TABBUTT that the gun used was not in BURRO's strong hand.
4. TABBUTT was ready to testify before the HCUA to the above and really appeared to believe that this was an execution

PH 157-1663

covered by the Reading Police out of sympathy for FRANK-
HOUSER and a public officer who is a relative of FRANK-
HOUSER.

SHELTON may believe that since he has not made avail-
able to the police information received from his own sources
reflecting that this death was not a suicide, he could well
be guilty of misprision of a felony.

It should be noted also that FRANKHOUSER is a very
effective speaker at Klan rallies and is willing to represent
the Klan publicly as an officer and speaker.

In view of SHELTON's reported statements that FRANK-
HOUSER must go, the above appear to be the only reasons for
his retention as a Klan leader.

It would be possible to secure signatures of FRANK-
HOUSER to affix to a letter to DESMOND as follows:

Dear Mike:

Don't worry about Regina's big mouth. The
cops in this town hate my guts as you well know.
If they could have pinned Dan's death on me they
would have. That wax test that shows if a person
has fired a gun cleared both me and Regina.
Thank God I was too busy to get in my usual prac-
tice that week.

b6
b7C

Roy

DESMOND could then forward the above to SHELTON
without comment.

The Bureau should contact the Baltimore Office be-
fore using DESMOND's name in any correspondence.

It will be noted that the letter gives the basis
for the finding of suicide and [redacted]
[redacted] and is

b7C

foolish enough to put the fact of his responsibility in writing.

It is believed that SHELTON will then take action to secure a new Grand Dragon for Pennsylvania.

(ATTN: LOCAL BROADCAST EDITORS)
 (KXX MARCH)

GETTYSBURG, PA.--FOUR ROPED MEMBERS OF THE KU KLUX KLAN LEFT HERE TODAY ON A 90-MILE MARCH TO WASHINGTON TO "FORCE THE JUSTICE DEPARTMENT TO DEAL OUT JUSTICE EQUALLY."

THE KLANSMEN SET OUT BRISKLY ALONG THE SIDE OF ROUTE 140 ON THE FIRST LEG OF THEIR TRIP TO BALTIMORE. THEY DREW ONLY CURIOUS GLANCES FROM PASSING MOTORISTS.

THE LEADER OF THE GROUP, ROY FRANKHOUSER, READING, PA., GRAND DRAGON OF THE PENNSYLVANIA KLAN, SAID THEY PLANNED TO ARRIVE IN THE NATION'S CAPITOL TUESDAY OR WEDNESDAY--"DEPENDING ON SORE FEET." HE ADDED THAT HE EXPECTED TO PICK UP ADDITIONAL KLANSMEN ENROUTE.

FRANKHOUSER SAID "WE ARE TRYING TO SHOW THE ONE-SIDENESS OF THE JUSTICE DEPARTMENT IN CIVIL RIGHTS."

"THIS IS ALSO TO DRAMATIZE THE INJUSTICE OF NEXT WEEK'S TRIAL OF ROBERT SHELTON," HE SAID. SHELTON, THE NATIONAL KLAN LEADER, IS SCHEDULED TO APPEAR NEXT WEEK BEFORE THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE.

FRANKHOUSER SAID THE THREE MEN WITH HIM WERE KLAN MEMBERS FROM MISSISSIPPI, MARYLAND AND NEW JERSEY, BUT EACH DECLINED TO REVEAL THEIR IDENTITIES. ONE OF THEM CARRIED A LARGE CONFEDERATE FLAG ON A POLE.

ASKED IF HE EXPECTED ANY "TROUBLE" ON THE MARCH, FRANKHOUSER SAID:

"IF I WAS A NEGRO ON THE MISSISSIPPI MARCH, I WOULDN'T EXACTLY EXPECT BEAUTIFUL WEATHER ALL THE WAY."

HE SAID, HOWEVER, THAT THE MARCH WAS NOT A PROTEST TO THE CIVIL RIGHTS MARCHES IN MISSISSIPPI.

ROY E. FRANKHOUSER, JR.

A confidential source, who has furnished reliable information in the past, advised April 11, 1966, that for many months he has realized that ROY E. FRANKHOUSER, JR., is a liar and much of what he says is untrue and designed solely to build up his own importance in the eyes of those who are his followers and who "fall for his line of baloney." This source advised there is often a grain of truth in what the subject says, but often his statements are magnified so as to sound incredible and lose all resemblance to the truth.

This source, on the dates indicated, has furnished the following, as examples of FRANKHOUSER's statements:

June 20, 1965 - RICHARD SINGLETON ^{AKA ROGER HOFFMAN} knows all about hand grenades, he has 500 on hand. PA

June 22, 1965 - The "local group" is burying its illegal weapons in a cache.

July 19, 1965 - SINGLETON has a 55 gallon drum buried "somewhere" containing illegal arms and ammunition. MEMBER OF MINUTEMEN

This source also attributed to RICHARD SINGLETON statements made by him along similar lines:

July 19, 1965 - SINGLETON has obtained a bazooka and ammunition for it.

August 12, 1965 - SINGLETON has a 55 gallon drum buried near Laureldale, Pa., containing weapons and ammunition. There is a 4' square concrete slab over this drum.

ROY E. FRANKHOUSER, JR.

August 21, 1965 - SINGLETON, who [REDACTED] told the police who investigated his accident in 1963 that a "toy rocket" exploded. Actually it was a bomb designed for sabotage.

b6
b7C

September 11, 1965 - SINGLETON is starting a new cache. This will still be a drum buried in the ground, but it will have a hinged lid. The "old system" using a concrete slab is "too much trouble."

September 11, 1965 - SINGLETON has the components to reload 1500 rounds of 30'06 ammunition.

September 25, 1965 - SINGLETON has a Crossman CO-2 gun modified to fire darts. When it arrives he will tip these with curare. He also has an 18" blowgun to fire these poisoned darts.

October 14, 1965 - SINGLETON has a crossbow weapon he made. It uses an auto leafspring for power and has a pull of 450 pounds.

October 16, 1965 - SINGLETON has a chemical powered rocket, designed to burst high in the air and drop a shower of Minutemen leaflets over the city.

November 2, 1965 - SINGLETON has a machine gun he made himself. It fires .22 long rifle ammunition and is equipped with a silencer.

January 23, 1966 - SINGLETON has components for 15,000 rounds of ammunition. He also has six separate caches of weapons and ammunition. FRANKHOUSER has given him \$100 to develop a pocket-sized flame thrower.

ROY E. FRANKHOUSER, JR.

- January 24, 1966 - FRANKHOUSER knows a man in Philadelphia who has a mortar. SINGLETON has 19 rifles but 18 are cached, he has only one at home.
- February 5, 1966 - SINGLETON has two wooden cases in his basement. Each contains 50 pounds of smokeless powder from Argentina. He has 17,000 rounds of 30'06 ammunition in one cache and has components to reload 10,000 rounds more.
- February 7, 1966 - SINGLETON intends to get additional material. He wants to reload two million rounds of ammunition. Soon "we" will take a trip to the coal regions where there are large pine trees and build bunkers.
- February 9, 1966 - SINGLETON said we have two mortars. These are part military (the base plates) but the barrels are just commercial pipe. They are fired with a battery, a condenser, and a sparkplug.
- February 12, 1966 - FRANKHOUSER has promised SINGLETON \$200 more for special weapons, including a bullet-proof vest. SINGLETON has another supply of 30'06 cases to reload.
- February 22, 1966 - SINGLETON and some of his friends picked up 15 fifty-pound boxes of smokeless powder to be cached in various locations. SINGLETON also has ordered 225,000 primers and a ton of brass for reloading.
- February 23, 1966 - On Sunday March 13, 1966, we are burying 300 pounds of smokeless powder, a BAR machine gun and 75 clips for the gun in a cache at Ringtown, Pa. This material is coming from "The Klan" in Virginia. FRANKHOUSER arranged for it.

ROY E. FRANKHOUSER, JR.

- March 7, 1966 - Plans to bury the weapons and ammunition March 13, 1966, will be cancelled because FRANKHOUSER, who put up the money, will be away and he wants to be present at the caching.
- March 12, 1966 - Plans now call for burying two drums of weapons and ammunition Sunday (March 22, 1966). A machine gun will also be buried there. We will leave at 6:00 a.m., it is a two-hour drive to the site.
- March 17, 1966 - We will leave Reading Sunday at 6:00 a.m., taking shovels, crowbars, and similar tools to bury the weapons. At a predetermined spot in the coal regions we will either find them or they will be delivered to us. They are coming from Virginia.
- March 19, 1966 - The trip scheduled for tomorrow is 57 miles one way. SINGLETON will carry the 55 gallon drum in his car, the other men with tools will go in the truck. The machine gun, powder, and ammunition are stored near Reading, if we leave promptly at 6:00 a.m. We should have the "stuff" by 6:30 a.m. SINGLETON has topographical maps, the locations of the caches are marked on plain paper to be superimposed over the maps.
- March 20, 1966 - Plans to cache the weapons and ammunition are off, the FBI seized the stuff in Orangeburg, S.C.
- March 22, 1966 - The FBI seized the material in Summit, S.C., while it was en route up here.

On June 16, 1965, Sergeant [REDACTED], Troop L, Pennsylvania State Police, Reading, Pa., advised that

reporter [] of the Berks County Record, a weekly Reading, Pa., paper, told him an informant of [] was told by ROY FRANKHOUSER that "we" have plans for all the old mineshafts in the coal regions. We will store weapons and ammunition in some. We also have a mortar, but need a truck to haul it in. FRANKHOUSER allegedly told this informant that "we get ammunition dated 1964, even gun clubs can't get such recent date material."

b6
b7C

On August 5, 1965, [] Reading, Pa., advised he had attended a couple "exercises" with ROY FRANKHOUSER and others as an informant for the Berks County Record. [] said FRANKHOUSER is crazy and his stories unbelievable. [] went on to relate that FRANKHOUSER had some firecrackers which were set off, but insisted on calling them "M-60s." Subject claimed he had maps showing every mineshaft in the area. He said that the group in Virginia has a U.S. Army tank, complete with cannon and machine guns, and arrangements are being made to bring it secretly to Schuylkill County and hide it in a mineshaft.

A second source, who has furnished reliable information in the past, advised March 15, 1966, that ROY FRANKHOUSER said on March 12, 1966, the Klan hid 1500 pounds of gunpowder in caches in the coal regions. Only one or two men know each location. This source also advised March 17, 1966, that FRANKHOUSER discussed a warehouse robbed of a large shipment of ammunition, mostly military stuff, by a man called RALPH (INU). FRANKHOUSER said RALPH will drop off some of this ammunition at his home.

A third source, who has furnished reliable information in the past, advised February 28, 1966, that ROY FRANKHOUSER said "ROGER" (RICHARD SINGLETON) has a lot of weapons and ammunition and recently buried 1400 pounds of smokeless powder. FRANKHOUSER called this "380 powder." This third source on March 22, 1966, said FRANKHOUSER advised that on March 20, 1966, plans to bury 1400 pounds more of powder had to be called off because three of "ROGER's" men had to work and could not help.

ROY E. FRANKHOUSER, JR.

A fourth source, who has furnished reliable information in the past, stated March 7, 1966, that FRANKHOUSER on February 27, 1966, told him the Reading, Pa., Minutemen under direction of a man known as ROGER HOFFMAN, were presently burying 2400 pounds of high-grade (3.2 grade) powder packed in barrels, and one of the men has 1400 pounds of a lower-grade powder in his basement which will be buried sometime this week.

The first source has identified ROY E. FRANKHOUSER as the Grand Dragon of Pennsylvania for the United Klans of America, Knights of the Ku Klux Klan (UKA, KKKK). He also has been a member of the American Nazi Party (ANP); leader in Pennsylvania of the Minutemen; and headed his own group, the Free Corps.

Characterizations of the UKA, KKKK, ANP, and Free Corps are attached.

The first source has also advised that SINGLETON had a code name of ROGER HOFFMAN in the Free Corps, and was close to FRANKHOUSER in the Minutemen.

FRANKHOUSER is presently visiting in England and West Germany.
